

ERSA-NECTAR Special Session on

Commuting, Migration, Housing and Labour Markets: Complex Interactions

Jönköping, August 19-23, 2010

Call for papers

We are pleased to invite you to contribute with papers on a Special ERSA-NECTAR session which is to be arranged on the 50th ERSA Congress in August (19-23). The conference takes place in Jönköping (Sweden) and will be a major international event. This special session will have an interdisciplinary character and provide an opportunity for researchers to discuss their ongoing research evolving around commuting, migration, housing and labour markets.

Topics of interest include (but are not limited to):

- Modelling migration and commuting
- Labour market shocks, housing markets and the offsetting effects of commuting
- Spatial job search
- Human capital flows and sorting
- How do housing and labour markets affect the attractiveness of cities?

Session organizers:

Anette Haas (Institute for Employment Research, Nuremberg, Germany)

Liv Osland (Stord/Haugesund University College, Norway)

The deadline for submission of abstracts is **January 11, 2010**. Please send it to anette.haas@iab.de and liv.osland@hsh.no .

We look forward to your submission.

NECTAR is a European-based scientific association. The primary objective is to foster research collaboration and exchange of information between experts in the field of transport, communication and mobility from all European countries and the rest of the world. It is a multidisciplinary social science network. It brings together a wide variety of perspectives on transport and communication problems and their impacts on society in an international perspective. For further information on NECTAR, use the link: <http://www.nectar-eu.org/>

ERSA is the supranational grouping of national regional science associations across Europe. Members of the Regional Science Association are academics, policy professionals and researchers interested in spatial economics and planning, regional and local development and related issues including the disciplines of economics, geography and planning. For further information on ERSA, use the link: <http://www.ersa.org/ersa-congress/>
