Major Invited Lectures and Conference Papers

The New Argonauts: Innovation in a Global Economy Keynote Address, The Atlas of Ideas: Mapping the New Geography of Science, Demos, London, England, January 17-18, 2007

Diaspora Networks and Development Invited lecture, Asia Senior Policy Forum on Innovation and Institutions for the Knowledge Economy, The World Bank Institute and the Korean Development Institute, Seoul, Republic of Korea, November 29-December 1, 2006

Talent Migration and Opportunity Keynote address at the Hua Yuan Science and Technology Association 2006 Annual Conference, HYSTA, Santa Clara CA, October 1, 2006

Local and Global Networks in Technology Regions Keynote address at Conference on Creating a High-Growth, High-Tech Economy, Enterprise Ireland, Dublin, Ireland, October 10, 2005

Industrial Districts and Technology Clusters: Variations on a Theme? Keynote address at Conference on Clusters, Industrial Districts and Firms: The Challenge of Globalization, Faculty of Economics, University of Modena, Italy September 12, 2003

Government and Guanxi: The Chinese Software Industry in Transition Invited paper at Symposium on Global Software from Emerging Markets, Center for New and Emerging Markets, London Business School, UK June 2003

Toward the Knowledge Intensive Cluster Keynote at US-Japan Teleconference, Hosei University Research Institute, California and Hosei University, Tokyo, Japan May 29, 2003

Brain Circulation and Industrial Upgrading Keynote Address and Third International

Conference on the Management of Innovation and Technology, Zhejiang University, Hangzhou
China October 25-27, 2002

Technical Communities and Industrial Upgrading Paper presented at workshop on Heterarchies:
Distributed Intelligence and the Organization of Diversity, Santa Fe Institute, October 13, 2002

Regional Advantage and Regional Comparison: Can Zhongguancun Copy Silicon Valley?
Keynote Address at Conference on The Developing Strategy and Governance Structure of
Chinese Science Parks, E-Business Center, Peking University, June 28, 2001, Beijing

Transnational Technical Communities and Regional Growth in the Periphery Invited Paper at
Conference on What Do We Know about the Sources of Technical Change? Saint Gobain Center
for Economic Studies, June 7-8 2001, Paris

Brain Drain or Brain Circulation? The Silicon Valley-Asia Connection Lecture to the Modern
Asia Series, Institute for International Studies, Harvard University, September 29, 2000

Bangalore: Silicon Valley of Asia? Conference on Indian Economic Prospects: Advancing Policy
Reform, Center for Research on Economic Development and Policy Reform, Stanford
University, May 2000

India's Software Boom: Brain Drain/Brain Circulation? Invited Address to Distinguished
Lecturer Series, Indian Institute of Technology-Bangalore, India December 6, 1999

Forging Ties Between Silicon Valley and Asia. Invited lecture to 4th Asian Leadership
Conference, University of California, Berkeley, Hualien, Taiwan, November 4-6, 1999

Regional Development of Knowledge Economies. Invited panelist at the Third Annual UC
Berkeley Forum on Knowledge and the Firm, Haas School of Business, October 14-15, 1999

The Silicon Valley-Hsinchu Connection. Keynote lecture International symposium on East Asian
Economy at a Turning Point, MITI Research Institute, Tokyo, June 16-17, 1999

The Information Revolution: Replicating the Silicon Valley Experience, Institute for International
Studies Conference on Globalization: Winners and Losers? Stanford University, Oct 21 1998

A Climate for Entrepreneurship. Invited lecture to Conference on Creating an Environment for Growth, XII International Conference of Private Business Associations, Center for Business and Policy Studies (SNS) Stockholm, Sweden, June 11-12, 1998

Reflections on Silicon Valley and the American Economic Renaissance. Keynote address to Conference on The Silicon Valley Phenomenon, United States Embassy and The Federation of Swedish Industries, Stockholm, Sweden, June 9, 1998

Building a Transnational Technical Community. International Conference on Business Transformation and Social Change in East Asia, TungHai University, Taiwan, May 22-23, 1998

Silicon Valley's New Immigrant Entrepreneurs and Their Asian Networks. Invited lecture at Lewis Center for Regional Policy and Research, University of California at LA, May 8, 1998

Regional Advantage. Keynote address to Conference on Biotechnology and the Law. Sponsored by UC Berkeley Center for Law and Technology, Berkeley, California, February 21, 1998

Regional Planning in the 21st Century. Keynote address to Conference on The New Regional Planning in Japan. Sponsored by Japan Industrial Location Center and Hosei University, Tokyo, Japan, October 31, 1997

Urban Development and Regional Advantage. Keynote to Joint Meeting of the Urban Land Institute and the International Development Research Council, Mountain View CA, June 5, 1997

Regional Linkages, Silicon Valley and the Networked Firm. Invited lecture to Conference on The Changing Nature of Entrepreneurship. Sponsored by Center for Economics and Policy Research, Stanford University, Palo Alto, California, May 30, 1997

Transnational Entrepreneurs and Regional Industrialization: The Silicon Valley-Hsinchu Connection. Invited lecture at Conference on Social Structure and Social Change: International Perspectives on Business Firms and Economic Life, Institute of European and American Studies, Academia Sinica, Taiwan, May 9-10, 1997

Networks, Regions, and Innovation. Keynote address to Connect '96 Conference, Stanford University, School of Business, Palo Alto, California, September 10, 1996

Venture Capital and the Growth of Silicon Valley. California Coalition for Science and Technology Summit, Office of the President, Univ of California, Sacramento, May 29, 1996

Regional Advantage: Culture and Competition in Silicon Valley and Route 128. Invited lecture to Chancellor's Forum, University of California, Berkeley, March 29, 1996

Creating a Twentieth Century Technical Community: Frederick Terman's Silicon Valley. Keynote address to Inaugural Symposium for The Lemelson Center for Innovation and Invention, National Museum of American History, Smithsonian Institute, November 11, 1995

The Lessons of Silicon Valley for Industrial Reconstruction. Keynote address to International Conference on the Reconstruction of the Hanshin-Awaji Areas, Sponsored by Ministry of International Trade and Industry, Kobe, Japan, September 11, 1995

Corporate Culture as a Source of Regional Advantage: Lessons from Silicon Valley and Route 128. Invited lecture at the Center for Business and Government, Kennedy School of Government, Harvard University, Cambridge, April 14, 1995

The Limits of Autarky: Industrial Adaptation in Silicon Valley and Route 128. Invited lecture at Conference on the New Regionalism. Sponsored by the Social Science Research Council and HUD, Washington, DC, December 8-9, 1994

The Sources of Regional Advantage. Invited lecture at international workshop on the Future of the Computer Industry, Stanford University-Japan Center, Kyoto, Japan, October 22-24, 1994

Why did Route 128 Fail and Silicon Valley Succeed? Keynote Speaker, Executive Forum on Microelectronics: The Future of Communications, Industry Canada, Ottawa, November 1, 1994

Silicon Valley: Prospects and Problems. Keynote Speaker for Annual Meeting of the Leadership Council, Joint Venture: Silicon Valley, San Jose, California, September 23, 1994

Regional Regulation Revisited: The Case of Silicon Valley and Route 128. Conference on Regions, Institutions, and Technology, University of Toronto, September 23-25, 1994

Author Meets The Critics: AnnaLee Saxenian's Regional Advantage. Annual Meeting of the Association of American Geographers, San Francisco, California, March 28-April 3, 1994

What Happened to Route 128? An Innovative Region in Crisis. Seminar on Technology Parks and Regional Development, Basque Technology Park, Bilbao, Spain, April 25-26, 1991

Regional Adaptation in Silicon Valley and Route 128. Invited lecture to Urban Studies Seminar Series, Sociology Department and Urban Studies, Brown University, April 4, 1991

Silicon Valley as a Global Technology Center. Conference on Global Cities in the Economy of the 1990s, Instituto Madrilenio de Desarrollo and the Universidad Autonoma de Madrid, Spain, February 27-March 2, 1991

Cities, Regions and Technological Development. Seminar on the Problems of Large Cities sponsored by the BancoHipotecario de Espana and the Universidad International Menendez Pelayo, Santander, Spain, August 13-17, 1990

The Origins and Dynamics of Production Networks in Silicon Valley. International Workshop on Networks of Innovators, Ecoles des Hautes Etudes Commerciales, Montreal, May 2-3, 1990

Contrasting Patterns of Business Organization in Silicon Valley. Pathways to Industrialization and Regional Development in the 1990s, Lewis Center for Regional Policy and School of Architecture and Planning, UCLA, March 14-18, 1990

Silicon Valley in the American Context. International Conference on Science and Technology Cities, Department of Economic and Social Analysis of Territory, Institute of Architecture at Venice University, Venice, Italy, February 23-25, 1989

Local Area Networks: Silicon Valley Third Annual International Workshop on Innovation, Technological Change and Spatial Impacts, Cambridge University, September 5-7 1989

The Cheshire Cat's Grin: Innovation, Regional Development and the Cambridge Case. Annual Conference of Europeanists, Council for European Studies, Washington D.C., October 1987

Lectures to seminars and classes at Brown University, Massachusetts Institute of Technology, National Taiwan University, Peking University, Stanford University, Tsinghua University, University of California at Berkeley, University of California at Santa Cruz, University of California at Los Angeles, University of Chicago, Portland State University

University Service

University-wide: Steering Committee, Center for Information Technology Research in the Interest of Society (CITRIS) 2000-2002; Executive Committee, Institute of International Studies, 2001-02
